

**INVITATION FOR PARTICIPATION IN SCIENTIFIC MEETING
“RESEARCH IN MATHEMATICS EDUCATION”**

Dear Madam/Sir,

The Mathematical Society of Serbia (MSS), with the support of the European Organization of Researchers in Mathematical Education (ERME), organizes a scientific meeting to be held **10. - 11. 05. 2019.** in Belgrade, Serbia.

The topic of the meeting is Research in Mathematical Education. Thematic framework of the conference: 1) Contemporary research in mathematical education, 2) How to use history lessons and research in educational practice, 3) Methods of research in mathematical education. A full-day workshop will be held within the framework of the Quantitative Methods of Mathematical Education Research.

The Conference deliberations will be on the following themes:

- Topics in contemporary research in mathematics education
- How to use lessons from history and research in educational practice
- Research methods in mathematics education

Plenary speakers

We have invited three plenary speakers:

1. Prof. Dr. Jarmila Novotna (Czech Republic), Prague, Professor Charles University, Department of Mathematics and Mathematics
2. Dr Patrick Barmby, UK, Head of the Research in "No More Marking"
3. Prof. Dr. Snezana Lawrence (Snezana Lawrence), United Kingdom, Cambridge, Senior lecturer at Anglia Ruskin University

The meeting is intended for experts in the field of mathematics education as well as for students of master and doctoral studies. We invite you to actively take part in the meeting. Registration
